TORONTO

Warmest Regards from TCC Salon Team!

The Toronto International Salon of Photography is going into its 127th year! We are increasingly proud on the fact that our competition is the oldest one of its kind in North America and the second-oldest in the World!

If you want to compete on the world stage, then our Salon offers the perfect opportunity. In the last salon we had 429 Entrants, who submitted 4174 images, from 59 Countries. The photos contained in our printed catalogue, and the winning images shown on our Website and DVD Slideshow are a testament to the abilities of photographers world-wide.

Submitting photographs to an International Salon is indeed, exciting. Having your photo accepted, awarded an Honorable Mention, or a Medal is an awesome experience. Last year our exhibition accepted 1040 images awarded 187 Honorable Mentions, along with 90 Gold, Silver and Bronze Medals.

If you are up-to-the-challenge, then please make a note of the following dates:

- 127th Salon: Closing date November 7, 2020
- Judging dates November 20, 21 and 22, 2020
- Results November 29, 2020
- Public Presentation at the Toronto Camera Club: January 30 and 31, 2021

THE CHAIRMAN'S AWARDS

THE WORLD-CLASS PHOTOGRAPHER AWARD

The World-Class Photographer Award is designed to honor the photographer, instead of the individual award winning photographs, taken by the photographer. The winner of this Award is determined by considering the type and number of awards that a photographer wins, along with the number of Divisions in which a photographer wins awards.

FIAP BEST AUTHOR AWARD

The FIAP Best Author Award is designed to honor the photographer, instead of the individual award winning photographs, taken by the photographer. The winner of this Award is determined by considering the highest number of total acceptances of all the sections of the salon added together.

Richard Li, (Hong Kong)

I began to go in for photography after retirement. Photography has become an indispensable part of my life in recent years. Although every photo I took is an expression of my feeling, I love most wild life photography. I hope to take more beautiful photos in my life time and leave to the world most lovely memories.

THE CHAIRMAN'S AWARDS

DISTINGUISHED CANADIAN PHOTOGRAPHER AWARD

SPECIAL AWARD
1000
CAN\$

The Distinguished Canadian Photographer Award is designed to honor the photographer, instead of the individual award winning photographs, taken by the photographer. The winner of this Award is determined by considering the type and number of awards that a photographer wins, along with the number of Divisions in which a photographer wins awards. Eligibility is restricted to Canadian Residents.

Ying Shi, (Canada)

Photography is my hobby and I spend most of my spare time.
Discover, photograph and finally present in the work with my heart.
Feel happiness and realize my personal value in the process.

The Chairman's Awards are designed to honor the photographer, instead of the individual photographs taken by the photographer. The winners of the Chairman's Awards are determined by considering the type and number of awards that a photographer wins, along with the number of Divisions in which a photographer has won Acceptances or Awards.

TORONTO CAMERA CLUB BEST AUTHOR

The Toronto Camera Club Award is designed to honor the photographer, instead of the individual award winning photographs, taken by the photographer and it is available only to Toronto Camera Club members. The winner of this Award is determined by considering highest calculated score among TCC members.

Christopher Siou, (Canada)

Having been a member for 25 years and the current president of the club, I am honored and humbled by this award. The stunning images in this Salon are truly inspirational! Travel and nature photography are my passion and I will continue on my journey to find my photographic vision and the pursuit of the ephemeral light.
